***National Mission Grant #17***

**Earthquake Relief Aid & Church Plants in Peru**

This \$10,000 grant will help LCMS World Mission reach out with God's love in the forgotten, earthquake-ridden part of Peru, through humanitarian aid and church planting.

On Aug. 15, 2007, many cities and towns south of Lima were devastated by an 8.0 magnitude earthquake. The quake killed more than 500 people, injured more than 1,000, and destroyed more 34,410 homes, according to news reports. Among the locales affected by the quake were the towns of Lucumo and Lunhuana, which were largely overlooked in the government's distribution of aid and other organizations' relief work, as they were further outside the capital city. For more information about LCMS World Mission, and to watch a video about life in Lucumo, visit their blog at <http://blog.lcmsworldmission.org/>

***Michigan District Mission Grant #16***

**Support for Heart to Heart Sisters & Mentors**

This \$6,000 grant will help reduce 2010 Michigan District Convention expenses for Heart to Heart Sisters and their mentors so more would have the opportunity to attend, learn about LWML and share the Gospel with people from many cultures.

By involving more ethnic woman in our conventions, the LWML hopes to obtain a better understanding of how to reach out, encourage and witness to our ethnic sisters. It is an opportunity for ethnic women, presently active in their local congregations, to attend a District LWML convention, enabling and encouraging them to forge a common vision for ways in which all women can participate in the mission work for the Lord through LWML.

**Your mites help fund these grants!**

*Both grants are featured on the  
Michigan District's February Mite Calendar
