National Mission Grant #1

Defray the Cost of Shipping Quilts by Lutheran World Relief

This \$80,000 grant will help deliver more than 100,000 Lutheran-made quilts, products of the loving work of God's servants, into the lives of those in need around the world.

An LWR quilt is special! It brings warmth on a cold night, shelter from the sun on a hot day. It becomes a bed, a room divider, a backpack to carry belongings, and at times even a home. Quilts distributed by LWR to refugees and other people in need were first made by recycling old but good clothes, blankets, and other items. Most LWR quilts are still made this way, although fabric samples, remnants, or other new pieces of fabric are also used. Each quilt is one of a kind, with a beauty all its own, made as a gift of hope by caring people. LWR's approximate cost to handle and ship one LWR quilt overseas is \$2.25
