

What is LWML in Action?

LWML in Action is the official publication of the Michigan District Lutheran Women's Missionary League (LWML). It includes information concerning upcoming District events and interesting news from the zones and societies around the state. A single copy is mailed to each LWML society and is to be shared among the women of the society. To give more women an opportunity to read this newsletter, the publication may be downloaded from the website or received at your address by subscription.

The subscription cost is \$3 for one year (4 issues). The newsletter is published 4 times a year in September, December, March and June. Your subscription will begin upon the receipt of your application. Your application must be received one month in advance of publication to receive that issue.
